NULAMP

Minimalist, sleek hanging LED lamp with power supply box. A lamp with a narrow angle of the emitted light - optional: 10, 30, 60 or 90 degrees, ideal for high ceilings. It enables emission of a narrow line of light even from a distance of a few meters. Hung over the table perfectly focuses light and is not irritating to eyes.

It can be used as a modern lighting for office, home or other functional interior. Energy-efficient linear LED lighting, designed for ceiling mounting with rails and box, where the power source can be hidden. There is a possibility of purchasing lamps of different lengths. Used as office lighting and home lamps.

- Lamp: **double anodized aluminium** - grey, can be painted in any colour from the NCS scale.
- Optional transparent blend (glass efficiency 95%), or opal glass (glass transparency 70%): Makrolon®, of Bayer Polymers, **full certification**.
- Highest quality LED **OSRAM DURIS E5** diodes.
- Control: **Dali, 1-10V, KNX, Fibaro**.

- Luminaires design enables **easy maintenance and replacement of light sources**.
- Lamps with a light source were produced in the **European Union**.
- Possibility to **modify a set of lamps for specific customer expectations** (size, colour housing, light colour, type of light source: RGB, RGBW, active white) - [UDESIGN custom](#).
- Standard length of cables - each 20-300 cm, adjustable to any length.
