

# UDESIGN P + BOX TRIPLE WHITE

**UDESIGN P + BOX TRIPLE WHITE LAMP** - Ceiling LED lamp coherent with interior and furniture design. Wide, high power LED plafond, available with box designed for power supply and wiring. Lamp construction enables easy connection to the surface by box, where you can hide the power supply. Energy-efficient linear LED lighting, with mounted three parallel light lines, can be the only lighting of living room or office. Lamps of different colours and wide range of application. This LED lamp is available in different lengths and in hanhing option [UDESIGN W TRIPLE WHITE](#).

UDESIGN custom - LED lamps individually ordered by a customer. The choice of colour, material, or to special order additionally: size and the light source of a UDESIGN lamp depends on customer preference. Possibility to choose a lamp base paint colour or exotic wood.

Each lamp is handmade to order, with the utmost precision and care.

It is possible to obtain a **uniform light line** without visible LED points.

- Lamp: **double anodized aluminium** - grey, can be painted in any colour from the NCS scale.
- Body: painted in any colour and lacquered MDF, or wood.
- Together with box for the power supply and wiring.
- Optional transparent blend (glass efficiency 95%), or opal glass (glass transparency 70%): Makrolon®, of Bayer Polymers, **full certification**.
- Highest quality LED **OSRAM DURIS E5** diodes.
- Control: **Dali, 1-10V, KNX, Fibaro**.
- Luminaires design enables **easy maintenance and replacement of light sources**.
- Lamps with a light source were produced in the **European Union**.
- Possibility to **modify a set of lamps for specific customer expectations** (size, colour housing, light colour, type of light source: RGB, RGBW, active white) - [UDESIGN custom](#).
